

Gift Giving Guide Sheet:

So many of our sponsors and friends have asked what they can send to the girls for gifts. It is always lovely when they get a package for Christmas, birthday, or just to say, "You are loved."

- Please enclose a photo of yourself or your family. The girls will be so thrilled to see you.
- **Your package may take as many as three weeks to arrive. Mail using only the US Postal Service!**
- Make sure your girl's name, *or the age of a girl that the box is intended for*, is clearly written on something inside and on the outside lower left corner of the package or envelope.
- Please mail cards, letters or packages directly to your girl at the following address:

**House of Grace
Jutiporn Muelae
P.O. Box 79
Chiang Rai 57000

- Be sure to write the word **Donation** somewhere on the outside of the box.
